Our goal is to identify and grow more leaders to broaden the Connect Group impact in the future. Please list group members you noticed to have future leadership potential in the Connect Groups ministry. (They may have taken on an assistant role, or demonstrated excitement about an idea for later, had skills to encourage activity or discussion in those around them, etc.)

What topics/focus areas do you suggest for future sessions? (Consider things your group showed extra interest in, or areas where more knowledge was needed.)

Please make any specific suggestions you have for improving the implementation of Connect Groups in the future.

We'd love to hear any stories of great moments in your group. Share with us here, or tell us in person if it is easier.
