

Free financial education materials for all clergy in 2020

As part of our ongoing effort to assist our clergy with their financial health and well-being, we continue to offer free (up to \$150 value) educational materials for all clergy currently under appointment! (New clergy receive their free materials at orientation.) The two

approved choices and directions are listed below.

You are not limited to these choices only. If you would like to choose another option, please contact Diane Owen at diane.owen@dkmnareaumc.org to obtain reimbursement guidelines *before* making a purchase.

Dave Ramsey's Financial Peace University

Any pastor currently serving under appointment may receive free financial education materials from daveramsey.com. Consider your current financial education goals and select from the following options:

FPU Leader Membership (\$99, shipping included). This option provides the pastor with materials to lead a class: DVD's and digital options and leader guide. If the pastor would like to engage in the course individually, the member workshop is available for an additional \$10 (shipping included). The pastor will be fully reimbursed for the total cost of \$119.

FPU Individual Membership (\$129, shipping included) provides a membership for the pastor to complete the FPU coursework independently. Individuals purchasing the FPU annual membership will receive the printed workbook and access to stream the digital video lessons.

To receive **free** Financial Peace University materials, order online or call 1-877-378-2667. Send your receipt to Diane Owen, Dakotas-Minnesota UMC Program Director, at diane.owen@dkmnareaumc.org for reimbursement.
