

Next steps in FACT

Process implementation

Rollout:

- Recruit co-leader
- Reform Common Table to oversee implementation/assemble 10 innovative leaders
- Create FACT Process web page and executive summary
- Create strategic map with timetables and goal champions
- Begin conversations with clergy and laity who are leading in our evangelistic task; learn what's working and why, and get buy-in from them on our strategies and implementation
- Identify key metrics and create tracking process on conference website

Urgency for the mission

- Compelling “why” statement—make video
- Evangelism academy
- Culture-shaping events
- Soul of the conference
- Intentional conversations to engage and enlist

25 to 40 percent plan

- Identify next 20 churches for transformation and make intervention
- Multiplication mindset in every congregation
- New churches/growing areas

Leaders who get it and can lead it

- Mobilize lay leadership
- Exit ineffective clergy
- BOOM/Cabinet on same page: clergy with zest, grit, and heart

Financial sustainability

- Economic projection process
- Zero-based budgeting and five-year budgeting cycle
- Increase reserves
- Review health benefits
