Price: The Event Cost is \$137 per person. This includes lodging, meals, and all event activities for the weekend. This price is based on 4 people in a room. If you have a smaller group or need to find more males/ females to share a room, go to the Minnesota UMC Youth Facebook page and leave a message. We will help you find a group who has a similar need.

What about t-shirt sizes? We are not doing t-shirts this year- there will be something new and fun!

What about older youth? If you have a youth in 10th-12th grade that you feel is a strong leader, has a call to ministry, or is really good working with kids, have them apply to be a youth intern. Youth intern applications are available on the conference website and on the facebook page.

What if I have questions? If you have any questions, please contact Rev. Erica Koser. erica@mankatocentenary.org. She will have an answer or make one up ;)

At The Event, we will be rolling out some exciting new opportunities for youth ministry in the conference. Don't miss it, it's going to be great!
