

Racial Reconciling Movement Racial and Ethnic Awareness Assessment

Racial awareness is a continuum. In order to make progress in fighting the sin of Racism, we must assess where we are on this continuum and commit to moving further toward fighting for justice and equity.

Some of the key words used:

- Culture is composed of rites, rituals, customs, and habits and is always reinforced with reward and sanction.
- Ethnicity is culture with the sociological markers of race and geography.
- Racism is the systemic exerting of power by one group over another based on race.

For each question, select rating for your church/congregation on a scale of 1-5 where 1 is rarely/barely and 5 is always.
